**ACTS 8:4 THOSE WHO HAD BEEN SCATTERED
PREACHED THE WORD WHEREVER THEY WENT.**

**A DISCOVERY
BIBLE STUDY
ON THE BOOK
OF ACTS**

Seven-Question Discovery Bible Study Process

1. What are you thankful for in the past week?
2. What has challenged or stressed you or others around you in the past week?
3. Is there anything this group can do to help with those challenges or stresses, or is there any other need we can meet together?

At this point, read a passage of Scripture several times out loud together; then have everyone in the group retell it in their own words. Ask the next four questions of the group.

4. What does this passage teach you about God?
5. What does the passage teach you about people?
6. What should you do this week in response to the passage?
7. Who should you share with this week?

In addition to these questions, before you read the new passage for the week, you'll review last week's passage and ask if everyone did what they said they were going to do and shared with whom they said they would. Doing this keeps everyone accountable for obeying and sharing.
